- Empowering Educators: Offering resources and support to enhance teaching excellence.
- Engaging Students: Supporting and ensuring accessibility to enriching programs and activities that inspire learning and personal growth.
- Community Collaboration: Building partnerships and fostering a culture of inclusivity and shared learning.

## Descriptions of Sponsorship Choices

### Graduate of Distinction

Each year, the Graduate of Distinction program recognizes student accomplishments in five categories: academic achievement, attendance, citizenship, community service, and participation in extracurricular activities. Students meeting the criteria will be recognized at a special recognition program in May and receive the Graduate of Distinction Medal to be worn at graduation, as well as a scholarship. Your business will be recognized at the ceremony and in the program.

### PBIS/Student Celebrations

PBIS student celebrations are structured events or activities within a school's Positive Behavioral Interventions and Supports (PBIS) framework, designed to recognize and reward students who demonstrate positive behaviors in alignment with the school's established expectations. These celebrations play a vital role in reinforcing positive behaviors, improving school climate and ultimately contributing to improved academic and social outcomes for students. Your business will be listed as a sponsor and displayed at the school's event.

### Turkey Trot

The Danville Public Schools Education Foundation, in partnership with the Danville Otterbots and the Danville Running & Fitness Club has its annual Turkey Trot 5K Run/Walk and Children's Fun Run on Thanksgiving Day. Sponsor logo will be on all promotional material, including the shirt. There is space in bag for promotional items supplied by sponsors.  
Cranberry Sauce: small logo  
Gravy: medium logo  
Stuffing: large logo and 2 5K entries

### DPS Hall of Fame

DPS Hall of Fame is an annual event that honors DPS alumni and retired staff members who are noted for high levels of achievement in his/her field of endeavor and who make significant contributions to that field. As a sponsor, your name will be displayed throughout the event and in the program.

### DPS Athletics

You will be a sponsor for all of Danville Public School's athletics. Your donation will be split between the two middle schools and two high schools. This will help the athletic teams be able to purchase equipment, bags, etc. that they may need. A banner with your logo or business name will be displayed at each school and their main athletic events.

### Education Open

The Danville Public Schools Education Foundation hosts the Education Open on the 3<sup>rd</sup> Friday in May. Level 1 and Level 2 sponsorships include entry for one golf team (4 players), cart/green fees, and the sponsor logo will be on all promotional material. There is space in bag for promotional items supplied by sponsors.  
Level 1: medium logo  
Level 2: small logo

### Classroom Grant

All teachers in Danville Public Schools will have the opportunity to apply for a classroom grant. Your business will be listed as a sponsor for the grant. These grants can help teachers with paying for classroom activities, class trips, etc.

### Books for Kids

The Books for Kids program provides a new book for every pre-K, kindergarten, first grade, and second grade student in the school district to take home. This helps students build their at-home library and promotes literacy. Sponsors names and logos are inserted inside the book. Sponsors are able to read to the students the day the students choose their book, if they wish.

### Adopt-a-School

You may choose a school of your choice to adopt. Your logo will be proudly presented on a banner at that school. The school will promote your business through social media and their website. Your adoption will help to provide resources to help strengthen school initiatives and areas of need, support teachers/staff, academic incentives and enrichments, as well as school climate.

### Teacher Appreciation

All teachers in Danville Public Schools will receive a treat or meal at their school. Your business will be listed as a sponsor and be displayed at each location with the treat/meal.
